Pursuant to ACT 677 of the 2014 Louisiana Legislative Session, the Friends of King School District (FOKS) is posting information regarding the transfer of students' personally identifiable information (PII) to private entities who provide student and other educational services to FOKS. The list below identify the entities with whom we have contracts or relationships, pursuant to which, PII is transferred. By clicking on this link, you will find a copy of the addendum added to address the requirements of ACT 837 of the 2014 Legislative session. It is the hope of the FOKS District that this page will give parents and guardians confidence in the proper handling of their child's personally identifiable information.
